Graduates of Ephrata High School

**THANK YOU
VETERANS**

Alumni of Ephrata High who served in the military of the United States of America are of the belief that democracy and freedom are ideals to be upheld around the world. While the importance of family service is a recurring theme, a call to serve and perceptions of honor are intermixed with desire for new adventures and considered calculation of benefits and steady paycheck.

From small town Ephrata to serving at duty stations in the United States and around the world, to engaging in land and sea battles, our former classmates have made us proud to have known them and we are grateful for their service.

The Ephrata Alumni Association wishes to honor those who have served our country by providing and maintaining a listing of these heroes. Updates and corrections can be sent to EphrataTigersAlumni.com/Contact Us.
